Athletic agility

DESIGN
CMP Design, 2015

EN — Nemea collection design recalls a classic gracefulness molded by time and history. The chair, with its slender legs in solid ash wood inserted into die-cast aluminum frame, it truly appears jumping forward as an athletic step full of energy and grace.

IT — Nemea è una collezione di sedute la cui forma richiama una leggiadria classica plasmata dal tempo e dalla storia. La sedia, con le sinuose gambe in massello di frassino innestate al telaio in pressofusione di alluminio, appare infatti protesa in uno scatto atletico ricco di energia e grazia.
