Timeless functionality and versatility

6000 is a collection of chairs that combines functionality, sturdiness and versatility. 6000 is also “space saving”: the seat can be fixed or foldable with a braking system to soften the return movement.

A certified seat, also available in a fire retardant version, which meets the requirements necessary to furnish public spaces, schools, conference rooms, meeting and training rooms.

6000 è una collezione di sedute che unisce funzionalità, robustezza e versatilità. 6000 è anche “space saving”: il sedile può essere fisso o ribaltabile con sistema di rallentamento per ammortizzare il movimento di ritorno. Una seduta certificata, disponibile anche in versione ignifuga, che risponde ai requisiti necessari per arredare spazi pubblici, scuole, sale conferenza, sale meeting e training.
