Versatile and strong tables collection

The new challenge, to make people feel good at work, is to combine the design of the individual which varies over time, with that of the organization.
A collection of space-saving tables featuring an elegant iconic metal leg that provides a resistant and stable support to the different systems that characterize this family.

La nuova sfida, per far star bene le persone negli ambienti di lavoro, è quella di saper coniugare il disegno di vita dell'individuo, che varia nel tempo, con quello dell'organizzazione. TP70 è una collezione di tavoli multifunzionali e salvaspazio caratterizzati da un'elegante gamba in acciaio che offre un supporto robusto e stabile ai diversi sistemi che caratterizzano questa famiglia.

DESCRIPTION / DESCRIZIONE

en TP70 is a table with double legs entirely made in steel, both powder coated or chromed, that offers a robust support to the different handling systems: tilting top, Libro and folding legs. The fixed version completes the collection. The solidity of the structure allows the assembly of large tops: the BIG version (equipped with the patented anti-shock system) can become a large 3200x1200 meeting table foldable in just 50 cm and movable by one person.

it TP70 è una collezione di tavoli caratterizzata da una doppia gamba interamente in acciaio, verniciato o cromato, che offre un supporto stabile e robusto ai diversi sistemi di movimentazione: con piano ribaltabile, con chiusura a Libro e con gambe pieghevoli. A completamento della collezione è disponibile anche la versione fissa. La solidità della struttura permette di montare piani di grandi dimensioni: la versione BIG (dotata del sistema antishock brevettato) può diventare un grande tavolo meeting da 3200 x1200 mm richiudibile in soli 50 cm e movimentabile da una sola persona.
