

BU6000

BU 6000 is a system of desks and seats ideal for university and convention halls. The seats are equipped with a tilting mechanism with a special braking system that softens the return movement. Feet for floor fixation can be adapted to both straight, stepped as well as sloping floors.

BU6000 è un sistema di sedute e banchi ideale per università e sale convegni. Le sedute possono essere dotate di un meccanismo di ribaltamento con sistema di rallentamento per ammortizzare il movimento di ritorno. I piedi per fissaggio a pavimento sono disponibili per pavimenti dritti, con gradoni o inclinati.
