

S6000

S 6000 is a collection of chairs that combines functionality, sturdiness and versatility. S6000 is also “space saving”: the seat can be fixed or foldable with a braking system to soften the return movement.

A certified seat, also available in a fire resistant version, which meets the requirements necessary to furnish public spaces, schools, conference rooms, meeting and training rooms.

S 6000 è una collezione di sedute che unisce funzionalità, robustezza e versatilità. S6000 è anche “space saving ”: il sedile può essere fisso o ribaltabile con sistema di rallentamento per ammortizzare il movimento di ritorno . Una seduta certificata , disponibile anche in versione ignifuga , che risponde ai requisiti necessari per arredare spazi pubblici , scuole , sale conferenza , sale meeting e training.
