Flower silhouette

DESIGN
Sebastian Herkner, 2020

EN — Blume draws inspiration from the concepts of elegance and sophistication. Featured by a soft and rounded shape, the collection owes its distinctive appearance to its sophisticated flower-shaped profile in anodised extruded aluminium. An extremely comfortable collection, in which the slender frame and the soft polyurethane foam are combined.

IT — Blume trae ispirazione da un'idea di eleganza e raffinatezza. Una collezione caratterizzata da forme morbide e arrotondate, la cui forza distintiva emerge dal sofisticato profilo in estruso di alluminio anodizzato con una silhouette a forma di fiore. Il telaio prezioso e sottile e la soffice imbottitura in schiumato poliuretano si uniscono rendendo questa collezione assai confortevole.
