EN — Nolita is a family of outdoor seatings which recalls the origins of a historic course, started by Mario Pedrali in 1963 with his first metal garden chairs. The collection seems to arise from the memories of a sunny and lively square, a timeless place, giving birth to simple and iconic shapes.

IT — Nolita è una famiglia di sedute da esterni che rievoca le origini di un percorso storico, iniziato da Mario Pedrali nel 1963 con le sue prime sedie da giardino in metallo. La collezione sembra scaturire da ricordi in trasparenza, un'atmosfera senza tempo da piazza assolata e vivace, per un risultato di solida durevolezza in forme semplici ed iconiche.

IT — Nolita Relax è una seduta per outdoor che nasce come naturale ampliamento del Nolita Sofa. Una poltrona dalle dimensioni generose che, mantenendo le linee dell'intera collezione, rievoca le origini di un percorso storico iniziato da Mario Pedrali nel 1963 con le sue prime sedie da giardino in metallo. Nolita Relax conferma il suo carattere estivo e solare, caratterizzata da forme semplici e iconiche. La struttura in tubo d'acciaio dona ritmo visivo e proporzioni gentili, garantendo il massimo della solidità e della durezza.
