

# Remind

## Between mind & heart

DESIGN  
Eugeni Quitllet, 2018

EN — While evoking the soft sinuous curves of wooden chairs from the late nineteenth century, Remind's organic silhouette recalls something never seen before, a universal shape able to fit into any space and style of decor. The result is an innovative polypropylene seating, in which each element is conceived to ensure total comfort and cosiness. Remind recycled grey version is one of the first products made from recycled polypropylene: 50% from post-consumer waste and 50% industrial waste.

IT — Remind riprende la memoria delle curve morbide e sinuose delle sedie in legno della seconda metà del XIX Secolo. La sua essenza si esprime attraverso una silhouette dalle forme organiche capace di "ricordare qualcosa mai visto prima", una forma universale in grado di adattarsi a qualsiasi spazio e stile. Una seduta innovativa in polipropilene in cui ogni elemento è pensato per conferire comfort e avvolgenza. La versione Remind recycled grey rappresenta uno dei primi prodotti realizzati in polipropilene riciclato: 50% da scarto di materiale plastico post consumo e 50% da scarto di materiale plastico industriale.
