

Tribeca

Fasten your seat, belt!

DESIGN
CMP Design, 2018

EN — Tribeca takes us back in time with a modern reinterpretation of classic Sixties patio chairs made from steel and woven cord. A true icon, revisited with new materials: a solid tubular frame, combined with the elasticity of a profile in vertically-woven plastic material.

IT — Tribeca nasce dagli echi confortanti della memoria, una reinterpretazione in chiave moderna delle classiche sedute da terrazza anni Sessanta realizzate in acciaio con intreccio. Un'icona rivisitata attraverso nuovi materiali: un solido telaio tubolare unito all'elasticità di un profilo in materiale plastico ordito verticalmente.
