S280L

S280L è disponibile con scocca in multistrato di faggio o rovere, in finitura naturale o nera. I telai, realizzati in acciaio cromato o verniciato, includono versioni a quattro gambe, slitta e cantilever reverse, con o senza braccioli. Leggera e impilabile fino a 4 unità, offre anche la possibilità di tappezzeria integrale o parziale e di essere accessoriata con tavoletta scrittoio.

Disponibile anche in versione sgabello e panca, per progetti coordinati e spazi polifunzionali.

S280L is available with a plywood shell in beech or oak, in natural or black finish. The frames, made of chromed or painted steel, include four-leg, sled, and reverse cantilever versions, with or without armrests. Light and stackable up to 4 units, it also offers options for full or partial upholstery and can be equipped with a writing tablet.

Also available as a stool and bench version, for coordinated projects and multifunctional spaces.
